NATURA™⊕ Two-Piece Systems Product Line

the 19 Newest NATURA™+ Products

Drainable & Closed

NATURA™⊕ Two-Piece InvisiClose™

NATURA™⊕ Two-Piece Closed

Even more options in our enhanced technology - Designed with feedback from 1,000 nurses[1] and 400 people living with an ostomy.[2]

Key Features and Benefits

ConvaTec filter technology
Designed to work hard against odors and ballooning.

A contemporary oval shape
Symmetrical shapes are designed for an easy fit and to wear under clothes.

Soft fabric design
Designed to be soft and gentle on the skin for improved comfort.

Enhanced Closure
Invisiclose™ technology designed for ease of use.
Lock-it Pocket™ securely hides away the tail on drainable pouches.

Inspection window
Check the position of the pouch when applying it or during wear-time.
